

**Smart.
Simple.
SME.**

**Turn Real Assets
compliance into your
strategic edge** with our
AI-powered platform.

Stop juggling spreadsheets.
Start growing with
confidence.

KEY PROMISE

- ✓ One report for every bank, buyer & partner
- ✓ AI reads utility bills for you
- ✓ 15 minutes – not 5 hours

Try Essentials with your real data

www.visionzeroconnect.com

**You're not a
reporting factory.**

But banks, buyers, and partners keep
asking for the same ESG data – in
different formats.

PAIN POINTS

- ✗ Repetitive questionnaires
- ✗ Spreadsheet chaos
- ✗ Changing rules from every lender
and customer

Time lost. Money wasted. Credibility at risk. There's a better way.

essentials

by Vision Zero Connect

An AI-powered Carbon reporting platform
built for SMEs with Real Assets

KEY BENEFITS

- ✓ Submit once. Satisfy many.
- ✓ Works with local standards & emission factors – anywhere in the world.
- ✓ No ESG expertise required.

Compliance becomes your advantage, not your burden.

How It Works: 3 Simple Steps

1

Data Input

Drag & drop utility bills.
Our AI extracts key data.

Report

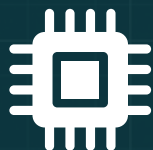

Generate lender-ready PDFs or
PowerPoints – with your branding
– in seconds.

Review Performance

Real-time dashboard shows
your ESG position instantly.

Why SMEs Choose essentials

**AI-driven
automation**

**One report,
everywhere**

**Real-time
insights**

**Professional
outputs**

Enterprise-grade functionality at an SME-friendly price.
